## Instructions

Once you are on the PayPal site, you have the option to pay with your PayPal account or a credit card. Click the button for the option you would like to use.

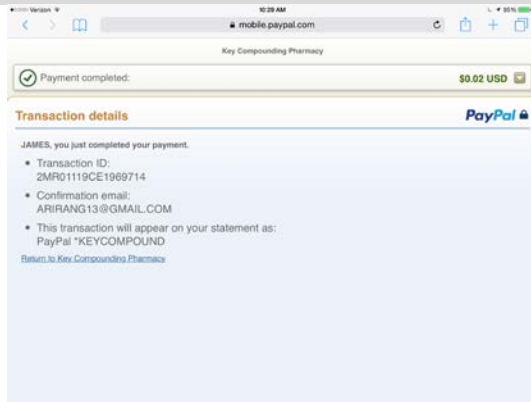

To use your PayPal account, you must provide your PayPal login information. Then click the Log In button.

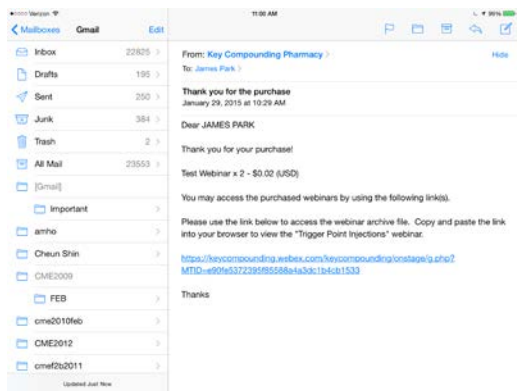

After logging into your PayPal account or supplying your credit card information, you will see a summary of your order. To proceed with the transaction, click the Pay Now button.

## View

## Instructions

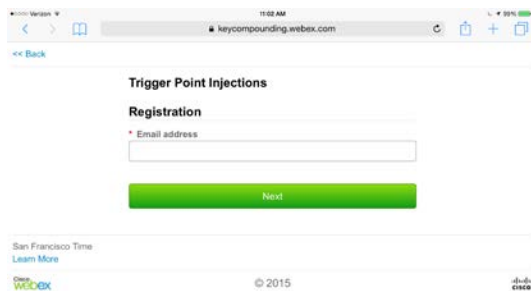

You will see a page with your transaction receipt.

A confirmation of your order will be sent to your e-mail inbox. This e-mail contains the registration link for the webinar your purchased.

If you do not see the order confirmation e-mail in your e-mail inbox, please check your junk e-mail folder.

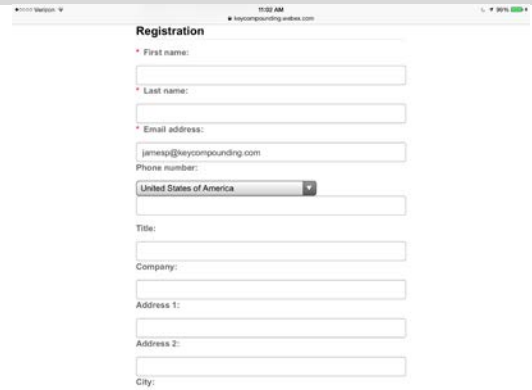

Click the webinar registration in the e-mail to sign up for the webinar. NOTE: If you do not do this, you will not be signed up for the webinar.

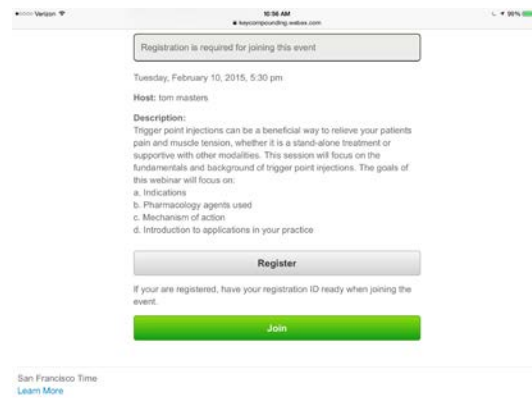

When you click the webinar registration link, you will be taken to a sign in screen.

Enter your e-mail address and then click the Next button.

The screenshot shows a web browser window with a registration form. The browser's address bar shows 'keycompounding.webex.com'. The form is titled 'Registration' and includes the following fields: First name, Last name, Email address (pre-filled with 'jamesp@keycompounding.com'), Phone number, a dropdown menu for 'United States of America', Title, Company, Address 1, Address 2, and City. There are red asterisks next to the First name, Last name, and Email address fields, indicating they are required.

The screenshot shows a web browser window displaying a registration confirmation page. At the top, a message box says 'Registration is required for joining this event'. Below this, the event details are listed: 'Tuesday, February 10, 2015, 5:30 pm', 'Host: tom masters', and a 'Description' section. The description states: 'Trigger point injections can be a beneficial way to relieve your patients pain and muscle tension, whether it is a stand-alone treatment or supportive with other modalities. This session will focus on the fundamentals and background of trigger point injections. The goals of this webinar will focus on: a. Indications b. Pharmacology agents used c. Mechanism of action d. Introduction to applications in your practice'. Below the description is a 'Register' button. A note below the button says: 'If you are registered, have your registration ID ready when joining the event.' At the bottom of the page is a green 'Join' button. The footer of the page includes 'San Francisco Time' and a 'Learn More' link.

## Instructions

Fill out the information in the webinar registration form that is displayed.

NOTE: Only the first name, last name, e-mail address, title and phone number are required.

Click the Submit button when you have filled out the required information. This completes the registration. A link to allow you to join the webinar will be e-mailed to you.

At the date and time of the webinar, click the webinar link that was sent following registration. On the screen that is displayed and click the Join button.
